CORPORATE SOCIAL RESPONSIBILITY POLICY

7 Eleven Energy Services is an indigenous upstream oil and gas support service company that offers Equipment and Material Supply, Hospitality services and Manpower supply.

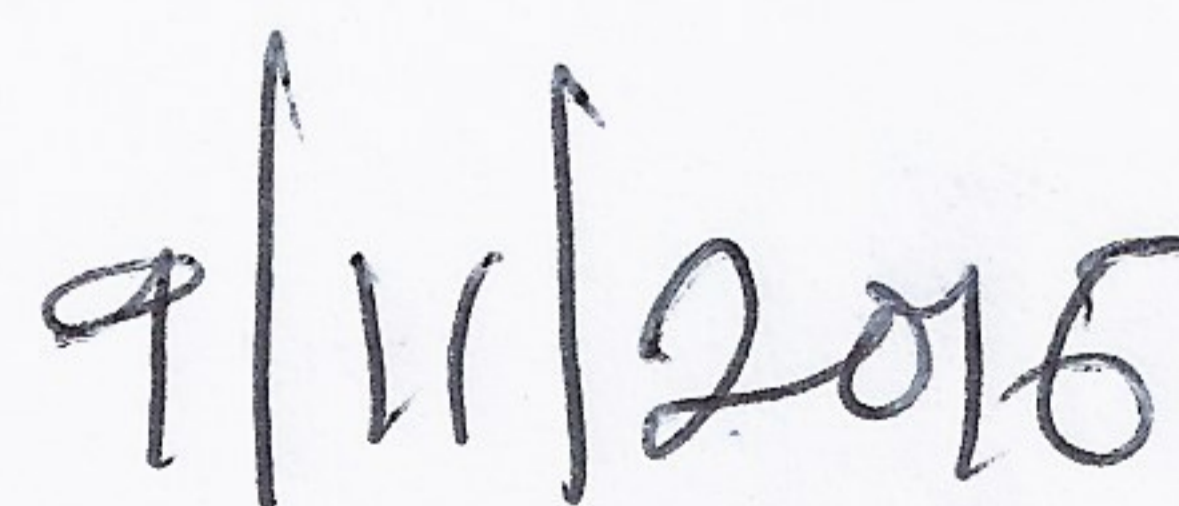

7 Eleven Energy Services operates as a responsible corporate citizen in all our business and relationships. We achieve this through:

1. Compliance-with/ and respect for Laws and Regulations of the government, the industry we serve as well as our customers.
2. Ensuring sustainable development in our operations by providing collaborative support to our communities with the view to improve living standards.
3. Ensuring prompt remittances of institutional taxes, levies, dues and other payables, as well as, obtaining relevant permits and licenses for our businesses.
4. Ensuring that our operations conform to internationally recognized standards.
5. Continual review of our policies and objectives to align with new technologies, best practices, and industry standards.
