QUALITY HEALTH AND SAFETY POLICY

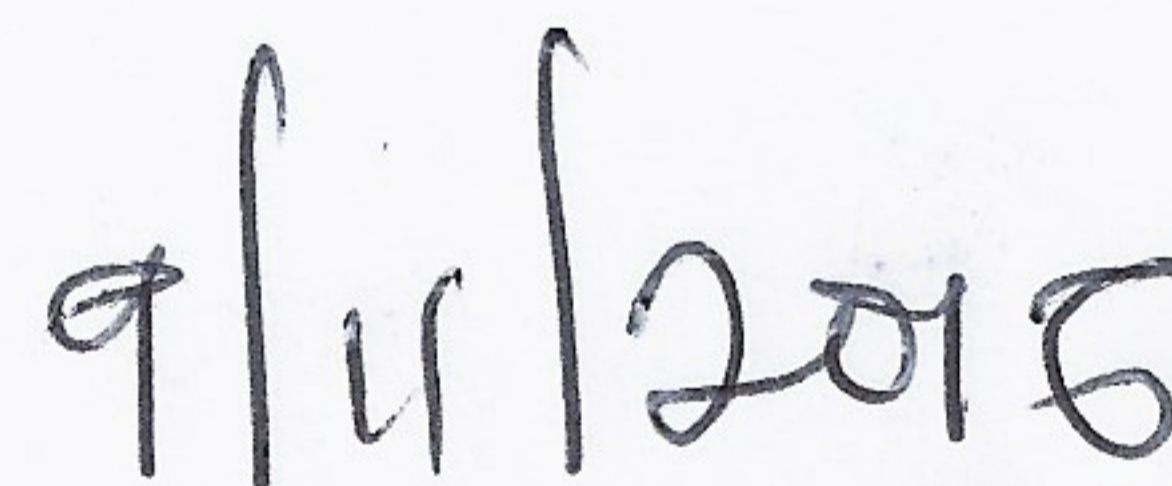

7 Eleven Energy Services is committed to becoming the leading support service company in the Oil and Gas Industry and conducts business in a manner that does not harm employees, visitors and clients. This commitment is facilitated through a Quality, Health and Safety Management System which includes:

- Emphasis on understanding our client's requirements prior to providing delightful solutions, to meet their expectation.
- Commitment to prevention of injury and ill health, property damage and continual improvement in all aspect of intergrated management system.
- Developing skills and competencies of employees including contract staff to focus on health and safety measures by adopting safe work procedures.
- Communicating to employees including contract staff under the control of 7 Eleven Energy Services with the intent that they are made aware of their individual Quality, Health and Safety obligations.
- Establishing objectives and reviewing them at necessary intervals, to identify improvement opportunities and take suitable actions for continual improvement.
- Complying with applicable statutory and regulatory (legal) requirement and relevant applicable industry standards.
- This policy being available to employees and the public.
